

Byson;

Also work with accessories.

We can re-zip boots and bags and other items.

We have even put zips in boots that were not made for zips (although this is not trivial and can't always be done). Equestrian boots, motorcycle boots, fashion boots. Including gun slips, tents and purses.

We can put new buckles on belts.

And new belts on buckles.

We can repair or alter gloves and ties, hats and handbags.

We can make and alter curtains & pelmets.

Byson;

Can offer a comprehensive clothing repairs and alterations service, covering lady's and gentlemen's clothing of all kinds. We can alter suits, jackets, blazers, gowns and dresses, modern or classic for that special occasion, or revive that favourite gardening jacket.

Caught that little black dress in a car door ?

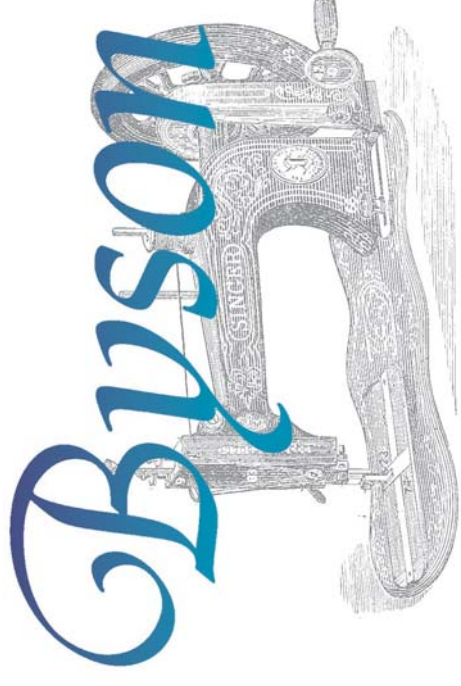

Torn a favourite shooting jacket on barbed wire ?

School blazer pocket torn ?

There is no job too big or too small.

Advice and fittings are, of course, free.

See the web site at: WWW.BYSONREPAIRS.CO.UK

Byson;

Byson have specialized in leather clothing.

Examples of our work can be seen on the web site :

WWW.BYSONLEATHER.CO.UK

We have worked on vintage flying kit including British Irvine, US A2, Luftwaffe jackets &c.

We have wide experience with both fashion and motorcycle leathers, and can repair crash damage, major or minor tears and (within reason) alter to fit the individual customer.

We can design and fit custom artwork or badges, or fit a customer's own artwork, or those of a sponsor.

We can fit new, high quality zips in suits, boots and jackets.
